Notice of leadership changes at FASSET

The board of the Finance and Accounting Services Sector Education and Training Authority (Fasset) has appointed Lesego Lebuso, current COO, to perform the duties of the Fasset CEO with immediate effect and until further notice.

A number of staff changes have been recommended based on audit findings that have highlighted areas requiring further investigation. Due process has thus far been followed with the implementation of these changes and the Fasset board is committed to completing the necessary processes with transparency and in the best interest of all Fasset stakeholders.

Fasset remains committed to serving its sector by honouring the mandate of supporting the objectives of the Skills Development Act by facilitating the achievement of world-class finance and accountancy skills.
